AN EXPERIENCE TO SHARE TOGETHER.

THE PROJECT

Held over three days, this unique U10 tournament (for players born in 2017 and 2018) brings together up to 16 teams from different countries.

Its ambition is to showcase ice hockey in Rouen,
a sport deeply rooted in the city's identity,
while bringing young players together through sport,

This project draws inspiration from leading international tournaments, such as the Pierrefonds Tournament in Canada and the Quebec International Pee-Wee Hockey Tournament.

Our ambition is to build on these successful models and establish Rouen as a leading destination for youth hockey, creating a landmark event for the next generation of players.

THE TOURNAMENT

FRIDAY - CHL
